**HOROSCOPES** by Stella Wilder

SATURDAY, AUGUST 27, 2022  
YOUR BIRTHDAY by Stella Wilder  
Born today, you are a powerful and charismatic individual, and you know how to make things happen merely by pressing your case with as much energy, persuasion and overall mastery as you can muster. Indeed, your ability to read people is perhaps your single greatest trait when it comes to work and relationships. You know very quickly whom you are dealing with at any given juncture, and after that it is merely a matter of pushing a few psychological buttons for you to get your way -- even when the issue on the table is one of the big ones in life.

SUNDAY, AUGUST 28  
VIRGO (Aug. 23-Sept. 22) -- Your view of the future may be clouded by an experience that soured you in the past, and expectations that are anything but realistic.

LIBRA (Sept. 23-Oct. 22) -- The appearance of one who is directly opposed to your views on a particular topic makes the day interesting, if not combative. Be careful.

SCORPIO (Oct. 23-Nov. 21) -- You may have little to say or do in response to someone's actions today -- but you're sure to do the right thing when the time comes.

SAGITTARIUS (Nov. 22-Dec. 21) -- If you don't protest someone's ill-advised actions when you have the chance, you won't again have the opportunity any time soon.

CAPRICORN (Dec. 22-Jan. 19) -- You have more at stake today than anyone around you can wholly understand, so you may have to proceed without the support you expected.

AQUARIUS (Jan. 20-Feb. 18) -- You may drift further away from where you want to be than you have in the past, but one quick decision can put you back where you belong.

PISCES (Feb. 19-March 20) -- You may find that the only way forward today is directly through the opposition. You're going to have to prepare yourself for a long fight.

ARIES (March 21-April 19) -- What you say today is likely to be remembered for quite some time -- and is that what you really want? Be sure to say what you mean.

TAURUS (April 20-May 20) -- Don't let yourself be persuaded that now is not the time for doing a certain thing, for this may be your only real opportunity.

GEMINI (May 21-June 20) -- You may have to say "no" again and again today in order to make your point to someone who is trying to override your authority.

CANCER (June 21-July 22) -- The path you've traveled so far has led you directly to where you are right now -- and that can be something to celebrate. Where to next?

LEO (July 23-Aug. 22) -- You can keep the peace if you apologize to someone close to you for a turn of events that was not caused by you directly. Discussion follows.
