YOUR BIRTHDAY by Stella Wilder
Born today, you are never satisfied when you hear someone tell you that "that's just the way it is," for you believe that things can be always be changed for the better, and you may well dedicate yourself to proving it again and again. You cannot understand people who simply accept things as they are without working for something better, and you can always be found at the head of the pack, leading the way toward equity and justice -- or so you like to think.

FRIDAY, SEPTEMBER 2
VIRGO (Aug. 23-Sept. 22) -- You may find yourself rubbing elbows today with those you consider role models in some way. Keep your eyes and ears open.

LIBRA (Sept. 23-Oct. 22) -- You're not likely to win any popularity contests today by pursuing things today the same way you have been. You must alter your approach.

SCORPIO (Oct. 23-Nov. 21) -- The more you're able to remind yourself of your primary purpose today, the more you'll remain on task. You'll want to get someone talking.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may be tempted to follow someone's example today, but you must alter your approach somewhat to suit your particular situation.

CAPRICORN (Dec. 22-Jan. 19) -- You'll have to fight your own instincts today as you face a situation that requires you to do something you'd ordinarily resist.

AQUARIUS (Jan. 20-Feb. 18) -- You may be considering a course of action that goes against much of what you're trying to accomplish. Is it time for a break?

PISCES (Feb. 19-March 20) -- You may have lost sight of your overall purpose today, but if you slow down and step back, it's likely to reveal itself to you once more.

ARIES (March 21-April 19) -- You may have to engage in guesswork today in order to come up with a hypothesis that begins to explain a difficult and stubborn situation.

TAURUS (April 20-May 20) -- You're perfectly aware of what might happen if you and those around you do not change course, but you have to get others to see it, too.

GEMINI (May 21-June 20) -- You cannot rely on those in charge to do the right thing today, but you can certainly do what needs to be done for yourself and family members.

CANCER (June 21-July 22) -- You may be tempted to head in a different direction today, even though the rest of your team will be left behind. What's really going on?

LEO (July 23-Aug. 22) -- A situation is brewing today that you'll have to keep your eye on, even as you tend to more pressing issues. There's more at stake than you know.
