tonight s best

James D'Arcy

8 p.m. on CW Leonardo

When Ludovico (James D'Arcy) asks Leonardo (Aidan Turner) to create a sculpture in honor of his father mounted on horseback, Leonardo's ambitions reach new heights as he endeavors to exceed everyone's expectations in this new episode. Through preparing the work, Leonardo recognizes himself in another troubled soul, the young duke of Milan, Gian Galeazzo Sforza (Edan Hayhurst), and puts trust in an unexpected source, a young, but resourceful thief called Salai (Carlos Cuevas).
