HOROSCOPES by Stella Wilder

SUNDAY, SEPTEMBER 4, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are certainly destined for great things, but the path to success and satisfaction may not always be one and the same. You must always know at every juncture what it is you're going for -- contentment that comes from personal achievement, or recognition and advancement that come from working the system. Solo activity may be difficult for you at times, for you are a social creature.
MONDAY, SEPTEMBER 5
VIRGO (Aug. 23-Sept. 22) -- A story you've long held to be of gospel is unexpectedly revealed to be only partially true -- and you can do more with this than you might think.
LIBRA (Sept. 23-Oct. 22) -- You're eager to take a little break from a certain task that you are duty-bound to complete nearly every day -- and you may have one soon.
SCORPIO (Oct. 23-Nov. 21) -- What you don't know can indeed hurt you -- or at least scare you out of any current complacency. It's time for you to take sides, perhaps.
SAGITTARIUS (Nov. 22-Dec. 21) -- While some things will confound you today, anything worth talking about will be clear and plain -- until a certain someone shows up.
CAPRICORN (Dec. 22-Jan. 19) -- Take care today that you don't skip the very thing that will instill confidence in others. You don't want anyone to doubt you right now.
AQUARIUS (Jan. 20-Feb. 18) -- You're likely to run up against some very serious opposition today, but your ability to persuade will surely help you get past it.
PISCES (Feb. 19-March 20) -- You may not be able to shake a certain distraction today, so why not alter your approach so you can pay full attention to it?
ARIES (March 21-April 19) -- You should be able to have a good deal of fun today working up a sweat doing something that should have been done days ago.
TAURUS (April 20-May 20) -- Someone's reaction to your behavior today will strike you as stranger than anything you do. It's time to reveal a key piece of information.
GEMINI (May 21-June 20) -- If it's an apology you're after today, you can expect to wait for quite a long time. The guilty party is not aware of offering you in any way.
CANCER (June 21-July 22) -- You may receive a piece of news that affects you very deeply -- but before the day is out, you're likely to realize you have been misled.
LEO (July 23-Aug. 22) -- A question of worth must be explored today. Comparisons between you and a rival are likely inevitable, and you'll want to come out on top.

MONDAY, SEPTEMBER 5, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you were born with the gift of seeing things as they are without the burden of being trapped by circumstances or the reality that you, yourself, acknowledge. No matter what you do or where you go, you will always have your feet planted firmly on the ground, while you let your dreams and aspirations soar. It's that ability, to be thumpingly pragmatic as well as positive, hopeful and idealistic, that will give you an advantage over others.
TUESDAY, SEPTEMBER 6
VIRGO (Aug. 23-Sept. 22) -- A lack of confidence you feel early in the day is remedied later on when you encounter someone who knows what you're about. Listen!
LIBRA (Sept. 23-Oct. 22) -- You are likely to be even more outspoken than usual today, with the logical result that more people than usual are going to listen to you.
SCORPIO (Oct. 23-Nov. 21) -- You'll benefit from experience today, even though you'll have to adjust your thinking to accommodate an unexpected development.
SAGITTARIUS (Nov. 22-Dec. 21) -- It's all about fulfilling potential today -- your own, and someone else's too. Working together, you both can achieve something new.
CAPRICORN (Dec. 22-Jan. 19) -- Honesty is surely the best policy today -- but on at least one occasion, you may choose to keep silent on a touchy subject.
AQUARIUS (Jan. 20-Feb. 18) -- You'll be invited by someone in charge to express yourself openly today -- and it may be your only opportunity to do so for quite a while.
PISCES (Feb. 19-March 20) -- Others are more willing to listen to you today because of something that has happened that has defied expectations. Speak the truth.
ARIES (March 21-April 19) -- Idealistic but also realistic, you'll be in a fine position today to call the shots for yourself and a group of allies.
TAURUS (April 20-May 20) -- Take care that you don't get lost in a dream today; focus on that which is clear and real, and you'll avoid disappointment as you reach for more.
GEMINI (May 21-June 20) -- What you have planned to do today may take more time than expected, especially since it will actually be quite difficult to get started.
CANCER (June 21-July 22) -- You're waiting for permission to color outside the lines today
