

Tuesday, Jan. 27 (cont.)

10 – 11 a.m.

Hydroponic Fodder by FarmTek — Sustainability, Environmental & Economic Benefits, and How it all Works, Room D201 *(To register please e-mail agshow@wvi.com or call 503-769-8940)*

FarmTek will explain how hydroponic fodder systems work, their sustainability options, environmental and economic benefits and how these systems can work with livestock needs.

11:30 a.m. – 12:30 p.m.

National Weather Service Seminar, Room D201

(To register please e-mail agshow@wvi.com or call 503-769-8940)

“Spring and summer weather outlook and evolving drought conditions in the Pacific Northwest.”

Presented by Andy Bryant, Service Hydrologist for National Weather Service

6 – 8 p.m.

FFA Supporter’s Reception, Tasting Room Area in Hall C

FFA alumni?... parent?... grandparent?... supporter? You are invited to join us for an evening of fun and fundraising for the Oregon FFA Foundation. There will be a silent auction, FFA presentations, light food and beverages from our Tasting Room exhibitors. See you there!

Wednesday, Jan. 28, 9 a.m. – 8 p.m.

9 a.m. – 1 p.m.

Oregon Horticultural Society’s Pesticide Recertification Course, Room D204

(Please register for this class at oregonhorticulturalsociety.org or by e-mailing ohs@wvi.com)

9 – 10 a.m.: Respirators to Prevent Respiratory Disease

People working in agriculture experience a 30 percent higher rate of respiratory disease than other occupations. Learn how to assess the respiratory hazards at your farm, select the appropriate respirator and understand the specific requirements associated with respirator use. Included will be an update on the progress of correcting pesticide labels with outdated respirator requirements.

10 – 10:45 a.m.: HazCom & WPS Training – The training requirements for employees differ substantially depending on the work being done. Definitions such as “worker” or “handler” only serve to increase confusion. Learn the lingo and requirements to protect the health of your employees. The new GHS requirements will be included as well!

10:45 – 11 a.m.: Break

11 – Noon: Cooke ’n Cohen Presents: Changes to the Worker Protection Standard

Changes are in store for the Worker Protection Standard after 20 years. While some of the proposed changes have already been in place in Oregon, California and Washington, others will be new and different. Learn what will change, what stays the same and the timeline for implementing the changes.
