AG DEALER JOB OPPORTUNITIES:

We are a progressive and growing agricultural equipment dealership looking for qualified personnel to join our team in our Sunnyside Washington, Homedale, Jerome and Idaho Falls Idaho dealerships. We specialize in Hay and Forage equipment including Claas Forage Harvesters, Claas Balers, Claas Lexion Combines, MacDon Swathers, New Holland Tractors and Hay and Forage Equipment. We offer competitive compensation, excellent benefits and a chance to grow with us. We are looking for a few people to grow with us in our Parts Departments and a Service Writer.

•Parts Counter Person

Brief Job Description: We are seeking experienced and entry-level parts personnel for our Parts Departments. Qualified candidates should have prior experience with retailing parts, and have good communication skills. Prior experience in Parts Management is a definite plus.

Detailed Job Description:

• Work with parts team to make the department more profitable.

• Order and receive parts from vender's & OEM's.

• Fill customer orders.

• Ensure technicians receive the correct parts in a timely manner.

• Receive and ship parts as needed in accordance with DOT guidelines.

• Track lost sales.

• Prepare computerized invoices.

• Advise customer on substitution or modification of part when replacement is not available.

• Mark and store parts in stockroom according to pre-arranged system.

• Willingness to work "on call", weekends, or evenings during the busy harvest season.

Educational/ Experience Requirements:

High School Diploma or GED, 3 years of customer experience. Claas experience is a huge plus. Perform other duties as requested by the parts manager and assist other department personnel to ensure customer satisfaction.

•Service Writer:

For a large agricultural equipment dealer in the Southwestern Idaho.

Qualifications:

Job Requirements and Responsibilities:

• Must have more than 2 years of managerial experience working in the agricultural industry.

• Must possess superior communication, organizational, management and leadership qualities. Ability to manage, schedule and monitor Service technicians.

• Strong computer skills ability to learn quickly a customized accounting system that is used for tracking repair orders.

• Must be customer-focused with experience to handle the needs of our customers in a courteous and professional manner. Identify and resolve customer complaints and problems.

• Team player - works cooperatively with other employees, keeping them informed to assure positive customer relations are maintained.

EDUCATION AND/OR EXPERIENCE:

Required 2-4 years of college education

Prefer agricultural business background. More than 2 years of customer service experience.
