510 Farm Buildings

Are you tired of:

- **Uncovering and recovering stacks to load trucks?**
- **Bales lost due to leaking covers?**

Superior Building Manufacturing Inc. can help ease your mind by:

- Providing a quick payback of 5 to 7 years compared to tarping
- Reducing the loss of bottom and top bales due to water damage
- Reduction of labor by not having to uncover and recover stacks
- Knowing your bales will be in the same condition you originally stored them

Superior Building Manufacturing Inc. offers Engineered buildings in many different sizes. Engineered sizes available are:

- 41',51',63',72',80' wide buildings by length of your choice.
- Full professional construction or easy to construct yourself
- All buildings are designed and engineered to meet your local wind and snow loading in your area

WASHINGTON STATE UNIVERSITY

WSU Extension Thurston County Director: The College of Agricultural, Human, and Natural Resources Sciences seeks a strong leader in agriculture and natural resources to serve as the Director of Thurston County Extension. The position is a full-time, 12-month, non-tenure track faculty appointment, located at the WSU Thurston County Office in Olympia, WA. This faculty position will primarily provide leadership for agriculture and natural resource programs within Thurston County, with collaborations with other county Extension staff within the region and responsible for fostering a strong and collaborative relationship with county government to ensure the continuing partnership with Thurston County in offering WSU Extension programs. Administrative duties include: supervision of support-staff personnel; preparing and managing the budget of the Thurston County Extension Office; upholding the covenants within the Memorandum of Agreement (MOA) between the county and WSU; and ensuring office compliance with all policies and procedures of WSU and Thurston County governments. Required: Earned Master's degree in agriculture or closely related discipline at time of hire. To apply: submit a current curriculum vitae or resume, and a cover letter describing how your work experience and training meet the duties, responsibilities, and each of the required and preferred qualifications, as applicable for this position; scanned copies of official transcripts; a writing sample not to exceed 5 pages, in which you are sole author (may be first author for peer reviewed article); and 4 letters of reference from professionals able to address your qualifications for this position. Please submit application materials through http://www.wsujobs.com Screening date: Sept. 15th, 2015. EEO/AA/ADA.
