**NOTICE: Oregon Construction Contractors Law**  
(ORS 701) requires that all businesses that advertise remodeling, repair, home improvement or new construction be licensed with the Construction Contractors Board. An active license means the contractor is bonded and insured.

**NOTICE: Oregon Landscape Contractors Law**  
(ORS 671) requires that all landscape contracting businesses to be licensed with the Landscape Contractors Board. This four (4) digit number assures the business has a bond, insurance and an associated landscape contractor who has fulfilled the testing and experience requirements for licensure. For your protection, verify & check a license status on our web: www.lcb.state.or.us or call (503) 986-6561 before hiring a landscape business. Landscape Maintenance companies do not have to be licensed to perform maintenance functions on your already installed landscape.
