500 Building Materials

510 Farm Buildings

Are you tired of:
• Uncovering and recovering stacks to load trucks?
• Bales lost due to leaking covers?

Superior Building Manufacturing Inc. can help ease your mind by:

- Providing a quick payback of 5 to 7 years compared to tarping
- Reducing the loss of bottom and top bales due to water damage
- Reduction of labor by not having to uncover and recover stacks
- Knowing your bales will be in the same condition you originally stored them

Superior Building Manufacturing Inc. offers Engineered buildings in many different sizes. Engineered sizes available are:

- 41', 51', 63', 72', 80' wide buildings by length of your choice.
- Full professional construction or easy to construct yourself
- All buildings are designed and engineered to meet your local wind and snow loading in your area
