

FOOD DRIVE

The Eastern WA Ag Expo is teaming up with Les Schwab to help restock the food bank with Second Harvest. Bring a can of food to a Tri-Cities Les Schwab by January 2nd and receive a free ticket to the Ag Expo on January 5-6. All the food will be donated to Second Harvest.

Last year, our Les Schwab sponsors proposed the idea of holding a food drive. Since last year's show, the Ag Expo Board and our Les Schwab sponsors have worked hard to hold a food drive that would help Second Harvest restock their food bank after the holidays. So many of us have heard that the post-holiday slump occurs for many food banks and we wanted to do our part in helping our local food bank. During the last few months, we have worked with Second Harvest to put together a food drive that would occur over the month of December and continuing through the show on January 5th & 6th.

We hope you will join us in helping to support Second Harvest through our Food Drive.
