

## Whether You Need Plants Now or Two Years From Now.

### We Stand Ready to Serve You.

If you have a blueberry planting project that needs plants now or in the spring, we have available inventory.

If you're in the process of longer range planning, talk to us early.

We have expertise in site selection, field planning and preparation, variety selection, planting, crop management and market intel.

Let us show you the Fall Creek difference.

## GREATER COMFORT. MORE CONTROL.

New Boomer™ 46D and 54D tractors feature the industry-leading EasyDrive™ Series II transmission. You'll work with greater comfort and control than ever before in a compact tractor. EasyDrive™: The name says it all.

- Control your speed with one pedal and EasyDrive™ automatically adjusts to match load conditions
- Change direction with the convenient shuttle lever to left of steering wheel
- Standard cruise control and speeds up to 18.6 mph to get jobs done fast
- Choose 46- or 54-hp models with open ROPS platform or the Best in Class SuperSuite™ factory-installed cab
