AGRICULTURAL RESEARCH MANAGER:

Collins Agricultural Consultants Inc. (Collins Ag) is seeking a Field Operations Manager and a Field Research Technician. Collins Ag provides service to chemical corporations in the form of pesticide efficacy and residue trialing. Companies contract with Collins Ag to test new chemistries for effectiveness on diseases and insects for a wide range of crops. As well as residue testing for EPA registration for new pesticides. Collins Ag is headquartered in Oregon City, Oregon where it's main research farm and facility is located. Trials are also performed in Hermiston, Oregon where a second smaller research farm is located. If interested, send your resume to: sbcollins88@gmail.com

Are you tired of:
• Uncovering and recovering stacks to load trucks?
• Bales lost due to leaking covers?

Superior Building Manufacturing Inc. can help ease your mind by:
• Providing a quick payback of 5 to 7 years compared to tarping
• Reducing the loss of bottom and top bales due to water damage
• Reduction of labor by not having to uncover and recover stacks
• Knowing your bales will be in the same condition you originally stored them

Superior Building Manufacturing Inc. offers Engineered buildings in many different sizes. Engineered sizes available are:
• 41', 51', 63', 72', 80' wide buildings by length of your choice.
• Full professional construction or easy to construct yourself
• All buildings are designed and engineered to meet your local wind and snow loading in your area
