SUMMARY
The Line Leader is the first line supervisor of production line workers and the primary communicator of production challenges and opportunities.

DUTIES AND RESPONSIBILITIES

- Must know and understand the customer's finished good specification and the quality attributes of raw product.
- Continually provide on the job instruction of line workers and continually monitor to ensure they follow instructions and communicate timely their challenges and needs to ensure attainment of finished goods quality and the daily production plan.
- Must have good trouble shooting skills and be able to communicate effectively with maintenance personnel.
- Continually monitor line and plant production and effectively communicate challenges and opportunities to Plant Operator.
- Must be able to make quick decisions based on understanding of operational needs in a fast paced environment.
- Escalate production issues that will compromise production schedule to Plant Manager or Production Manager.
- Perform quality checks of the line to include raw product, machine set-up, finished goods and line equipment.
- Verify components of production order to ensure correct type and quantity of components are available for production.
- Monitor production order and production plan progress and minimize down-time due to change overs.
- Understand and verify rejects from line and adjust as appropriate.

QUALIFICATIONS

- High School diploma or GED required.
- 2-5 years' experience in a lead or supervisory position in a fast paced manufacturing or food processing environment.
- Knowledge of computers and Microsoft Office programs.
- Ability to read/comprehend written and oral instructions in English, read and comprehend safety rules, operating and maintenance instructions, procedure manuals and inventory identifiers. Must pass English literacy test.
- Mathematical skills to add, subtract, multiply and divide and the ability to perform these operations using units of weight measurement, volume, and distance.
- Effectively communicate in English one-on-one and in small group situations.
- Able to participate in a team-oriented environment and willingness to assist and train others.
- Able to work flexible schedule, including overtime, weekends, shift rotation and before and after schedule as needed.
- Bilingual Spanish/English preferred but not required.
