PORT of SUNNYSIDE
 Position Opening for **SPRAYFIELD MANAGER**
 The Port of Sunnyside is seeking a Sprayfield Manager for the Industrial Waste Water Treatment Facility (IWWTF). This position is responsible for the day to day operations of the sprayfields, maintenance of all Port equipment, communication with various government agencies and supervision of small staff. The Sprayfield Manager is in charge of ensuring the fluidity of the waste water treatment process at the IWWTF.
 Desired qualifications are: college degree, supervisory experience, knowledge of commercial irrigation systems, good team building aptitude and farm operations. Skills required are: lab and technical, equipment maintenance, computer skills and budgeting.
 The position is full time, Monday – Friday from 8:00 am to 5:00 pm with some evening meetings. Salary range is \$40,000 – \$60,000 DOQ plus an excellent benefit package including medical, dental and PERS retirement.
 Please log on to www.portofsunnyside.com to obtain full job description and application. No specific job information will be available over the phone. Please return completed application and resume with references to the Port of Sunnyside, PO Box 329, Sunnyside, WA 98944; in person to 2640 E. Edison Ave, Suite 1, Sunnyside; or email to nikki@portofsunnyside.com.
 Position open until filled. EOE

 www.hansenagriplacement.com EH-6312#

Farming Fields Supervisor: Wilcox Family Farms
 This position will be responsible for soil preparation, seeding and harvesting with a combine for approximately 500 acres. Will work alone during off seasons, then manage a crew during harvests and other peak operation times. Oversee beef operation, including feeding, care and maintenance. Grow it into a 300-500 cow operation. Develop infrastructure and systems crop-land. All the duties involved in planting hay, rotational and crop development. Water and waste management system maintenance and operation. Manage farm equipment, service and repair. Manage seasonal and full time staff. Other duties as required.
Requirements:
 •Prior experience with seeding, soil preparation and harvesting.
 •Experience running a combine.
 •Experience leading or supervising a small team of workers.
 Wilcox Farms, located in Washington, Oregon, and Montana, is a family-owned, award winning, organic and cage-free egg company that produces high quality, incredibly fresh eggs all across the Pacific Northwest. We believe in the principles of humane farm animal care, and are leading the way to becoming 100% cage-free. We employ great people who are motivated to work hard and get rewarded with great pay and full benefits (medical, dental, retirement, time off) for employees and their families. Please visit www.wilcoxfarms.com to fill out an application or apply in person at 40400 Harts Lake Valley Rd. Roy, WA 98580Se360-458-7774

NURSERY MANAGER
Olympia, Washington
Description: Nursery Manager at our Olympia, WA Nursery, growing 150+ species of woody plants in cultivated fields and greenhouses. Production includes seedlings, rooted cuttings, and transplants. Ultimately responsible for all aspects of production including propagation, growing, plant nutrition, pesticides, irrigation, harvesting, grading, inventory, cold storage, shipping, equipment and facilities, personnel, and regulatory compliance.
Requirements: B.S. or higher degree in horticulture, forestry, or related field from an accredited institution. Minimum five years' experience in nursery management of a bare root or container wholesale nursery. Physically capable of serving as an active manager with considerable time in the field and warehouses. Proven supervisory and staff development skills. Equally at ease performing management and production duties in the nursery and in the office dealing with planning, budgeting, production records, customers, government, vendors, and the public. Proven team leader and team player. Only U.S. citizens will be considered. Must have a valid driver's license and clean record.
Knowledge: Extensive knowledge of woody plants including ability to identify species, propagation, cultural management, and end uses. Computer literate. Proficient in Microsoft Office and Windows based programs.
Compensation and Benefits: This is a full time professional position. Salary and benefits are competitive in the Wholesale Nursery Industry and based on qualifications and experience.
To Apply: Please email or mail complete professional resume and letter to: johnl@lawyernursery.com
 Do not telephone.
