NURSERY MANAGER Olympia, Washington

Description: Nursery Manager at our Olympia, WA Nursery, growing 150+ species of woody plants in cultivated fields and greenhouses. Production includes seedlings, rooted cuttings, and transplants. Ultimately responsible for all aspects of production including propagation, growing, plant nutrition, pesticides, irrigation, harvesting, grading, inventory, cold storage, shipping, equipment and facilities, personnel, and regulatory compliance.

Requirements: B.S. or higher degree in horticulture, forestry, or related field from an accredited institution. Minimum five years' experience in nursery management of a bare root or container wholesale nursery. Physically capable of serving as an active manager with considerable time in the field and warehouses. Proven supervisory and staff development skills. Equally at ease performing management and production duties in the nursery and in the office dealing with planning, budgeting, production records, customers, government, vendors, and the public. Proven team leader and team player. Only U.S. citizens will be considered. Must have a valid driver's license and clean record.

Knowledge: Extensive knowledge of woody plants including ability to identify species, propagation, cultural management, and end uses. Computer literate. Proficient in Microsoft Office and Windows based programs.

Compensation and Benefits: This is a full time professional position. Salary and benefits are competitive in the Wholesale Nursery Industry and based on qualifications and experience.

To Apply: Please email or mail complete professional resume and letter to: johnl@lawyernursery.com

Do not telephone.
