MORE GROUND AND MORE SKY

The line of Versatile row crop front-wheel assist tractors in 260, 290 and 310 horsepower offer the largest cab in the class. The cab is 26% larger than previous models and has a total area of useable window glass of more than 70 square feet. The new cab combined with a redesigned sloped hood offers excellent forward visibility and all-day-long operator comfort. An integrated right hand console moves with the operator and provides fingertip control for the entire tractor. Discover the best view on your farm with Versatile.
