High School Students Invited to Apply
With the help of an investment by the 2016 Legislature, the Burnt River School District, a small district in remote Eastern Oregon, has launched a residential learning opportunity for students. The Burnt River Integrated Agriculture/ Science Research Ranch (BRIARR) program is an opportunity for high school students to participate in an experience that will enrich Agriculture and Science studies in a variety of natural resource settings. Students will live in a log home residence facility located on a working ranch in the heart of the Burnt River Valley and attend Burnt River Charter School. Currently there are a limited number of spaces still available for girls this fall. For additional information, please call Burnt River Charter School at 541-446-3336 or visit our website at www.burntriver.k12.or.us.
