WASHINGTON STATE UNIVERSITY

Cordinator: The Coordinator is a key member of the nationally and internationally recognized Clean Plant Center Northwest (CPCNW), a program that performs virus testing and elimination for fruit trees, grapevines and hops. The CPCNW is located with the Washington State University Irrigated Agriculture Research and Extension Center in Prosser, WA. This position facilitates complex administrative needs of the CPCNW, including: managing sales of plant material, data gathering and reporting, managing budgets, developing communication materials and websites, meeting logistics, and stakeholder communication. The successful candidate must be well organized, adept at handling widely diverse activities, and demonstrate keen attention to detail. The Coordinator will interact with the public and stakeholders, respond to customer inquiries, support grant development and management activities, and participate in trade shows. For more information, including the minimum/required qualifications, and to apply for this Coordinator position 121581 visit www.wsujobs.com. To view the complete position description and duties, visit http://iarec.wsu.edu/jobs/ Position will close January 8, 2017. WSU is an EO/AA/ADA educator and employer.
