**IT'S A SMALL WORLD FOLKS!**

A student in Vancouver, BC bought my Leyland 272 tractor to ship to his dad in South Africa! His dad already had one and wanted another, so he purchased the one I listed in Capital Press.

**You advertise.... it SELLS!!!**

"After running an ad in *two* California publications and getting no response, I placed an ad with Capital Press for eight weeks.

The first week I received 3 calls and sold over half of the eleven items I listed. Before the listing ended, I had sold all but a few odds and ends.

The big surprise was that *all the calls but one* were from my local area here in California!"
