Overview

Wilco is a farmer-owned cooperative. The headquarters may be close to larger cities like Portland and Salem, but it remains in the rural town of Mt. Angel, OR where it all started. Wilco focuses on a commitment to core values and community that come from our roots while striving to be a progressive company known for growth and innovation supplying today's agricultural needs. Whether your agriculture interests are crops and ranching to support your family full-time, or you have a hobby and passion for the lifestyle, Wilco's focus is clear. And we're always willing to lend a hand to improve agriculturally and the lifestyle's our customers enjoy.

Over 3,000 agricultural producers located throughout Oregon and Washington. Wilco also has several hundred thousand non-member patrons. Over 1700 employees represent Wilco and Coop Shared Services (CSS)
