You advertise.... it SELLS!!!

"After running an ad in two California publications and getting no response, I placed an ad with Capital Press for eight weeks.

The first week I received 3 calls and sold over half of the eleven items I listed. Before the listing ended, I had sold all but a few odds and ends.

The big surprise was that all the calls but one were from my local area here in California!"

510 Farm Buildings

Are you tired of:

- Uncovering and recovering stacks to load trucks?
- Bales lost due to leaking covers?

Superior Building Manufacturing Inc. can help ease your mind by:

- Providing a quick payback of 5 to 7 years compared to tarping
- Reducing the loss of bottom and top bales due to water damage
- Reducing labor by not having to uncover and recover stacks
- Knowing your bales will be in the same condition you originally stored them

Superior Building Manufacturing Inc. offers Engineered buildings in many different sizes. Engineered sizes available are:

- 41', 51', 63', 72', 80' wide buildings by length of your choice.
- Full professional construction or easy to construct yourself
- All buildings are designed and engineered to meet your local wind and snow loading in your area
