WHY BIG TEX GOOSENECKS?

1. Heavy duty adjustable suspension; much higher capacity than the trailer is rated for, and adjustable alignment!
2. 12" USA I-Beam neck; for heavier capacity and safety.
3. Flush rubber grommet mounted LED lighting.
4. Wiring is in a steel conduit and/or is a modular sealed harness.
5. Dexter brand cambered axles, with Nev-R-Adjust brakes. Made in the USA.
6. Low profile pierced I-Beam frame; USA made steel cross members full width through I-Beam frame rails. Fully welded for additional strength, unlike other brands on the market that use imported components and that don't completely weld entire frame.
7. Every Big Tex trailer purchased has Platinum Plus which includes: emergency tire change service (if you purchase a spare tire at time of trailer purchase), vehicle theft recovery incentive, trip routing, and online concierge.

See why we say Best Trailer! Best Price!
