

October 2017

Dear Farm Bureau Members:

To thank you for your membership in Farm Bureau, OFB partnered with the Capital Press, the state's premier source for Western agriculture and natural resources news, to give you this complimentary copy of the newspaper. Check it out and if you like what you see, take advantage of the special subscription offer just for Farm Bureau members.

Fall is a busy time for Farm Bureau members, with the **Young Farmers & Ranchers Leadership Conference** in Salem, an **OFB issue update and hosted lunch** during the Willamette Valley Ag Expo in Albany, **County Farm Bureau Annual Meetings** around the state, and the **OFB Annual Meeting** in Pendleton.

Learn more about these events — and OFB's priorities this fall — in Farm Bureau's full page in this issue of the Capital Press.

We're also proud to announce a new partnership with John Deere. Farm Bureau members can get special access to John Deere's GreenFleet Loyalty Rewards program and a free two-year Platinum 2 membership.

John Deere joins other generous Farm Bureau member benefit programs, including Grainger (get deep discounts and free shipping!), Supervised Fuels, AirMedCare air ambulance providers, CAT, Case-IH, Amerigas Propane, Choice and Wyndham Hotels, Avis and Budget rental cars, a prescription discount program, and more.

Learn more about these Farm Bureau member discounts — and see OFB videos, learn about OFB programs, get the latest news, and more — at oregonfb.org.

Thank you for being one of nearly 7,000 farm and ranch families across Oregon who know there is no more effective way to amplify your voice in the legislative and public arena than Farm Bureau.
