DEADLINE

Wednesday at Noon (Holidays may differ)

www.capitalpress.com

How to write ads that sell!

1. KEY WORD AND BENEFIT:

Tell the reader immediately what you are selling. Then state a benefit to the reader.
Example: "German Shepherd Puppy, 8 weeks, silver and black male, AKC. House trained, good disposition, ideal companion for your child, \$75. (000) 000-0000."

2. BODY COPY:

Let the potential buyer know the facts. Include make, model, year, size, color, condition, or any special features of your item.

3. PRICE FAIRLY:

For best results, it has been proven that a price should be included. If you're willing to make a deal, be sure to add "or best offer." People aren't necessarily looking for low prices, but for GOOD VALUE.

4. PHONE NUMBER:

A most essential item! If you can be reached only at certain times, let your potential buyers know when they can best reach you. Add "evenings; after 5:00 pm; before noon," etc.

5. EFFECTIVE & ECONOMICAL RESULTS

Not every potential buyer on that particular week will be in the market for your specific item. Initially, PLACE YOUR AD FOR FOUR WEEKS. You'll get the benefit of a BETTER RATE PER ISSUE in a consecutive, multiple-insertion schedule, and you may maximize your potential readership. Many more people will have the opportunity to see your ad AT LEAST ONCE. When you get the desired results before the ad expires, you may cancel your ad by our weekly deadline and pay only for the number of times it ran.
