SATISFIED CUSTOMERS...

"A year ago I needed new track so I called D&S Tires and purchased new track. Dick came out to see how the installation of the track was going. He noticed my driver wheels were also worn. He said my track cores were in great condition, perfect for relugging. I returned the new track, had my old ones relugged, had my drivers and idlers rebuilt, all for the same price of the new track. They have been running great and am thinking of having them relugged with D&S Tires again."

Charles Simerle
Schiemer Farms, Nyssa, OR

"We first bought some midrollers, then came back a little later and bought some track. About six months later we came back and purchased drive wheels for our tractor. Everything has been running great for us. We are planning on buying some 16" track in the future."
