"A year ago I needed new track so I called D&S Tires and purchased new track. Dick came out to see how the installation of the track was going. He noticed my driver wheels were also worn. He said my track cores were in great condition, perfect for relugging. I returned the new track, had my old ones relugged, had my drivers and idlers rebuilt, all for the same price of the new track. They have been running great and am thinking of having them relugged with D&S Tires again."
