Capital Press Ag Weekly • O

You advertise.... it SELLS!!!

"After running an ad in <u>two</u> California publications and getting no response, I placed an ad with Capital Press for eight weeks.

The first week I received 3 calls and sold over half of the eleven items I listed. Before the listing ended, I had sold all but a few odds and ends.

The big surprise was that all the calls but one were from my local area here in California!"
