Seeking Farm Manager for multiple small farm properties in and around Central Point, OR. The candidate must share the same dedication and passion as the Owner in pursuing a holistic, inclusive, multi-species/ multi-use farm land management practice with an eye to the future of sustaining local small farms as viable income producing businesses. The Farm Manager must be highly motivated, a self-starter and capable of physical farm labor. Candidates must demonstrate the following:  
•Experience implementing progressive farm practices such as hay meadows with multiple plants species, vineyards with grass rows, multi-species animal grazing, food crops, apples orchards for cider, rotational grazing, and opportunities for agritourism.  
•Knowledge in ag sciences, irrigation, and water rights.  
•Working farm experience with machinery and equipment.  
•Knowledge of local, regional, and national agricultural movements and trends, tax laws and incentives.  
•Leadership and communication skills.  
•Proficiency with the 'numbers' side of a farm operation.  
•Ability to prepare succinct reports for the Owner including comprehensive plans for each of the farm properties, annual operating budgets, and both short and long term capital investment budgets.  
•Manage other employees. This position is full-time, newly created, and a key position for the long term success and viability of the farms. Candidates must have either an agricultural degree (soil, crops, animals, business) with some practical, farm work experience or 10+ years of experience in farming and agricultural land management. Serious, committed, career-oriented individuals please apply. Send resume to: resumecppfarm@gmail.com.
