Dear Farm Bureau Members:

Check out a full page of Farm Bureau news inside this issue of the Capital Press.

You will learn about:

- OFB's work in public and behind the scenes urging clemency for Steven and Dwight Hammond. We are grateful that justice has finally been served and they can return to the people and the land they love.
- OFB's work to protect farmers' ability to continue to maintain drainage ditches, an issue of particular importance to Farm Bureau members based in the wetter part of the state.
- A meeting with U.S. Secretary of Agriculture Sonny Perdue and members of the OFB Young Farmers & Ranchers Committee.
- The ability to sign up new Farm Bureau members quickly and easily online!
- The new OFB members-only website, which gives immediate access to instructions on how to use the many money-saving discounts available to Farm Bureau members. Save big with partners like Farm Bureau Bank, Grainger, Case IH, John Deere, CAT, Avis, Budget, Choice Hotels, Wyndham Hotels, and more.
- A calendar of upcoming Farm Bureau events, including a YF&R Leadership Conference, a golf tourney fundraiser, and the OFB Annual Meeting.
