If you can grow it, we can harvest it.

GLEANER

Are you fighting with a combine that's a one trick pony?

It could be better with a Gleaner® combine — switching and setting for any crop is quick and easy. Our natural flow design delivers unmatched threshing and separating, while our cleaning system uses the industry's only fully pneumatic shoe to deliver superior results.

Whatever you grow, you can harvest it better with the combine that's built with the farmer in mind.
