NOTICE: Oregon Landscape Contractors Law (ORS 671) requires that all landscape contracting businesses to be licensed with the Landscape Contractors Board. This four (4) digit number assures the business has a bond, insurance and an associated landscape contractor who has fulfilled the testing and experience requirements for licensure. For your protection, verify & check a license status on our web: www.lcb.state.or.us or call (503) 986-6561 before hiring a landscape business. Landscape Maintenance companies do not have to be licensed to perform maintenance functions on your already installed landscape.
