AG SALES REPRESENTATIVE- Columbia River Carbonates (CRC) is currently seeking qualified individuals for a new Sales Agronomist position in the Pacific Northwest US market. The successful individuals will have responsibility for supporting sales of various CRC and products in their respective regions into the agriculture market and assist in managing the quality and consistency of such products as well as service delivery.

RESPONSIBILITIES:

- Promote calcium carbonate and agency products such as mineral additives.
- Offer technical service assistance in the agricultural industry.
- Perform regular customer and potential-customer visits.
- Develop and maintain a solid understanding of the regulations impacting the agricultural market and our products.
- Maintain and develop thorough knowledge of product technical information and uses of CRC and agency products in specified geographic region for agricultural applications.
- Maintain close collaboration with development & marketing.

Candidate profile requirements: Bachelor's or Associate's Degree in Agronomy or related technical field and a minimum of 3 years of sales experience or equivalent combinations of education, training and experience are required.

Certified Crop Advisor or other related certification is preferred. Thorough understanding of the agricultural products industry is required.

Strong verbal and written communication and presentation skills to persuade and influence others. Adept at negotiation with a strong sense for customer service. Solid knowledge of advertising and sales promotion techniques. Willingness to travel up to 60% and work a flexible schedule to include evenings, weekends and overnight travel, as necessary.

BENEFITS INCLUDE:

- Competitive Wage
- Health, Dental, Vision, Life Insurance
- Short and Long Term Disability Insurance
- 401(k) Plan (company contribution & match)
- Paid Vacation
- Paid Holidays
- Paid Sick Leave
- Employee Assistance Program.
