

LET'S CELEBRATE AGRICULTURE!

Salem and Marion County are the heart of Oregon agriculture. The county consistently has more agricultural output than any county in the state. With agriculture playing such a vital role to our local, regional, state and national economies, it seemed only natural that we would hold one of the longest running ag shows in the Pacific Northwest in Salem after several years in North Portland.

We are excited to bring you this edition of the show and hope you take this opportunity to learn about and explore the many products and services offered by our exhibitors and the topics covered by our seminar speakers.

On behalf of everyone involved in bringing you the show, let's celebrate and learn more about an industry that touches us all. Welcome!

WELCOME TO THE 2019 NORTHWEST AG SHOW

We are all excited to welcome you to the 49th edition of one of the longest-running ag shows in the Pacific Northwest.

We are even more excited to hold the show at the Oregon State Fair & Exposition Center in Salem. Salem is located in the No. 1 county in the state for agricultural output so it is only fitting that an event to showcase this important part of our economy be held here.

On behalf of our long term agricultural mortgage team, the Capital Press, the major and presenting sponsors, and our other partners who have come together to put on this edition of the show, we hope you have a great time visiting the over 120 exhibitors and partners and attending the 25 seminars and workshops.

Sincerely,

Brian L. Field
President
