

# IIEA awards \$22,000 in scholarships to deserving students

The Idaho Irrigation Equipment Association (IIEA) has awarded \$22,000 in scholarships to 34 students for the 2018-2019 school year. These students were selected because of academic accomplishments, leadership and career goals. Some are children or grandchildren of IIEA members. The IIEA has awarded 733 scholarships totaling \$446,500 since 1980. Twelve of the students are the children or grandchildren of IIEA members and one student is an employee of an IIEA member business. They are designated with an asterisk (\*) next to their names. These are the scholarship recipients for this school year.
