ers sold uneven: 1.00 lower to 2.00 higher in the North and South Central areas while the demand for steers and heifers waned in the Southeast for a steady to 4.00 lower price trend

ly topped the 200K mark for this report. feedlots and grazers were ready to procure cattle this week if producers could get them to town. Many auction locations are still reeling from a winter storm last Friday and earlier this week as many locations received more snow than anticipated, making feeding stock the main priority when day break comes.

areas now and producers are somewhat concerned with the abundance of moisture received in recent weeks. Some early born calves are coming into this world seeing snow and anecdotes of rancher neighbors having either bad or good luck this year is One issue that some are happy about

is the above normal snowfall. After last year's drought that encompassed much of the grassland regions, ranchers like to see the snow as previous generations remind the newer stewards of the land that "snow In Nebraska, our USDA Market Reporter

guiry and demand picked up this week from local and out of state buyers. This year has been a typical Nebraska winter with February dealing us the most snow we have had in several years. This cold, snowy weather is giving ranchers many sleepless nights while calving first calf heifers and aiding in burning through hay piles faster than one would like. A lot of hay has been fed in the last 30 plus days." After winter held on last year into the

middle of April, hay supplies in large cow states are getting low and inventories have not been replenished yet after lower yields

Market, two loads of 812 lb steers sold at 156.50. On Monday at Russell lowa Livestock Auction a short half load of 600 lbs steers sold at 177.00, while on Wednesday at Kist Livestock Auction in Mandan, N.D. a load of 600 lb steers sold at 177.00 and a package of 606 lb steers sold at 178.50. On Wednesday at Hub City Livestock Auction in Aberdeen, S.D., a load of 721 and 736 lb steers sold at 161.25 and 160.50 respectively. On Thursday at Ogallala, Neb., Livestock Auction, a load of 601 lb steer calves sold at 179.00. Also on ThursIb steers at New Cambria, Mo., Livestock sold at 161 00

Today at Burwell, Neb., Livestock Market, two loads of 619 lb steers headed to the feedyard at 174.25. Outselling many 7 weight steers nationwide on Wednesday at Sheridan Livestock Auction in Rushville Neb., a load of 712 lb replacement quality

Today the February Live Cattle contract has been trading at its highest level since the contract came on the Board in September 2017. The steady rise in the Feb contract is evident with a few corrections since November 2018. The April and June contracts have all followed that trendline as well. The Cattle-on-Feed for Jan. 1 released today were mostly within industry guesses and would be viewed as a neutral report for On feed and Marketings, while Placements

ago; Placements at 98 percent and Marketings at 99 percent. Auction volume this week included 62 percent weighing over 600 lbs and 44 percent heifers.

Auctions Receipts: 208,200 Last Week
