It is with a heavy heart we are announcing after 80 years in business the Livestock Auction will be closing its doors. This has been an agonizing decision for us to make as we have enjoyed your patronage and friendship over the past many years. Our last Sheep, Goat and Hog Auction will be held on Monday - February 15th 2021, and our last Cattle and Poultry Auction will be held on Tuesday - February 23rd 2021. In recent months there have been various rumors of us selling the property and shutting down. The property is for sale, but is not sold at this time. However, due to the continual declining head counts and rising costs of doing business, the livestock portion of our business is no longer viable. Woodburn Auction Yard will remain in business doing online only Machinery Sales. Our next Machinery Auction is scheduled for April of 2021. Thank you all for your under-

standing, and wishing every one of you the very best.
