SELLERS BEWARE
• Know who you are dealing
with - independently
confirm your buyer's
name, street address, and
telephone number.
• Never accept a check for
more than your selling
price.
• Never agree to wire back
funds to a buyer or a third
party - a legitimate buyer
will not pressure you to
do so, and you have
limited recourse if there
is a problem with a wire
transfer.
• Resist pressure to "act now."
If the buyer's offer is good
now, it should be good
when the check clears.
• If you accept payment
by check, ask for a check
drawn on a local bank or a
bank with a local branch.
You can visit that bank
branch to determine if the
check is legitimate.
• Consider an alternative
method of payment, such
as an escrow service or
online payment service. If
the buyer wants to use a
service you have not heard
of, be sure to check it out
to be sure it is reliable. If
you do not feel comfortable
with the service, do not
use it.
