

582 Pasture

WANTED: Cattle Pasture for spring, summer and fall pairs. 50 to 250 pairs. 541-213-0093

651 Help Wanted

Area Customer Service Representative

Objective of the Position: Ram Steelco is investing in this newly created position in order to develop and grow our business by building/maintaining customer awareness and increasing sales to key customers, with an emphasis on metal processing sales. This objective will be met by making visits to customer sites. This is a "field" position. This role is the face of Ram Steelco at our customer's sites. As such, communicating clearly and promptly in both directions between the customer and the Ram Steelco team is a key.

Key Responsibilities:
 •Making site visits to key customers and targeted prospects at a frequency that is appropriate to the individual situation.
 •Collecting, and communicating to the Ram Steelco sales manager, information about the customer's business prospects, competitive developments, and other market intelligence.
 •Working with the sales manager to assure that we are responding promptly and completely to customer requests for quotation or other information or other service needs.

Who Should Apply: If you like being in the field, meeting new people, and have a "hands-on" approach, this is an excellent opportunity to be a contributor to the success of Ram Steelco. The role requires daily travel throughout the Willamette Valley and occasionally to the Oregon coast. You must be comfortable with an active, self-structured working day and be willing to adapt to our customer's schedules.

The Company: Ram Steelco is a steel/metal service center focused on delivering superior service to our customer base in the Willamette Valley (approx. 80 mile radius from Salem, OR.). Ram Steelco is a well-established, family-owned company with warehousing, processing, and delivery capabilities. Products and services are sold throughout the mid-Willamette Valley to a diverse customer base, including small and large manufacturers, agriculture, construction, government, and others.

We take pride in providing a high level of service to our customer base which allows us to compete with larger national service centers. We are the "locally owned" option.

Compensation:
 •This is a salaried position with a performance incentive tied to profitable sales growth. Compensation could reach \$50,000 to \$60,000 annually depending on performance and goal achievement.
 •Company vehicle
 •Comprehensive Benefits Package
Qualifications:
 •Able to work effectively with a wide range of customers – from farmers to millwrights to corporate staff.
 •Well organized; self starter
 •Strong communications skills; verbal and written
 •Ability to work constructively in a cross-function team environment.
 •Excellent driving record.

Other Information: This position reports to the Sales & Operations Manager at Ram Steelco. An offer of employment will be subject to the candidate successfully passing a pre-employment drug screen and background check. Apply in person with your resume to 2249 Madrona Ave SE, Salem, OR.97302

651 Help Wanted

Washington Bulb Co., Inc., one of the largest US Growers of Flower Bulbs and Cut Flowers specializing in Tulips, Daffodil, and Lilies, has TWO (2) Plant Maintenance positions available.

While the two jobs require similar skills and abilities, one is a working manager position and the other does not require the responsibility of managing people. We'd like to talk to all qualified applicants to see how you might best fit within our team.

General Summary: Two Full-Time positions overseeing and performing the maintenance of all facilities and processing equipment (i.e. refrigeration, electrical distribution and controls, electrical generators, boilers, greenhouse, processing machines and lines, planting and harvesting equipment) as part of and with the assistance of a small skilled maintenance and mechanical crew.

Essential Duties and Responsibilities:
 •Maintain, troubleshoot to identify issues, and safely perform skilled service, repair and installation of plant facilities and equipment.

•Direct the maintenance team to support the duties of the maintenance department.
 Required Knowledge, Skills and Abilities:
 •Much of our equipment is proprietary but solid knowledge of electrical, hydraulics, belt systems will be applied.

•Working knowledge of maintaining cooling systems, boilers, electrical would be utilized daily. The right candidates will have experience in most of these issues, if not all but will have the ability to quickly learn the basics where they are lacking.
 •Ability to quickly identify issues, troubleshoot, prioritize, and repair breakdowns to keep facilities and equipment operating efficiently.
 •Ability to determine if outside service contractors are required and communicate with those partners when needed.
 •Motivating leadership skills.
 •Great attention to detail, follow up and organization.

•Excellent time-management skills with the ability to multi-task.
 •Highly organized, efficient, self-motivated, and able to work independently
 •Demonstrates professional communication
 •Shows consistent professionalism and good judgment.
 •Be energetic, confident, and willing to work hard, especially in peak seasons that require longer hours.
 •As in most shop environments, candidates should have their own basic hand tool sets. Applicant must live in commuting proximity to Mount Vernon, WA. Hours typically Mon-Fri, 7 am - 3:30 pm
 Competitive Salary, traditional benefits package.

Send resume and cover letter explaining which position you are most interested. Do not shy away if you don't have all the knowledge as outline above. Let's talk.
