

WELCOME BACK TO SALEM

It is a pleasure to again be able to host the Northwest Ag Show as a live event.

Covid struck Oregon just weeks after the 2020 show. Though in those early days we were all confident that everything would be under control well before January, it became obvious in the summer of 2020 that we would not be able to hold a live show in 2021.

Thanks to our many sponsors and exhibitors, we were able to conduct a successful virtual show last year. But, there's nothing better than meeting friends and vendors face to face. Thankfully, conditions allow us to return to an in-person show.

We are excited to bring you the 52th edition of the Northwest Ag Show. On behalf of our sponsors, exhibitors and seminar presenters, it is my pleasure to welcome you back to Salem and the Oregon State Fair and Exposition Center.

WELCOME TO THE 52ND NORTHWEST AG SHOW

All of us at Harvest Capital are happy to welcome you back to the Oregon State Fair and Expo Center for the Northwest Ag Show. It is our pleasure to again serve as the title sponsor for the show.

A lot has happened since we last were able to gather in Salem — drought, devastating wildfires, the ongoing pandemic. Through it all, the Pacific Northwest farm and ranch community has endured with determination and grit — the hallmark of rural America.

In its 52nd year, the Northwest Ag Show stands as one of the longest running farm shows in the U.S., attracting well over 100 exhibitors and welcoming an average of 3,000 patrons through its gates each year. We encourage you to return to Salem to renew old associations and make new friends.

Please join Harvest Capital, the Capital Press, the major and presenting sponsors, and all those who make this show possible, in celebrating the continuation of this agricultural institution.

Sincerely,

Royce Ann Simmons
