## Capital Press Ag Weekly It works!

You advertise.... it sells!

"After running an ad in two California publications and getting no response, I placed an ad with Capital Press for eight weeks.  
The first week I received 3 calls and sold over half of the eleven items I listed. Before the listing ended, I had sold all but a few odds and ends.  
The big surprise was that all the calls but one were from my local area here in California!"
