JOB TITLE: Project Superintendent – Civil Division Travel Required
REPORTS TO: General Superintendent – Civil Division

Are you looking for a career with an established and reputable company, competitive wages, and a comprehensive benefit package that includes health insurance, 401K retirement plan, paid time off, and more? Fisher Construction Group is looking for an experienced Project Superintendent to lead employees in our Civil Division. Focus is on commercial and industrial construction. Key Responsibilities: Directs the activities of workers engaged in the activities of the Civil Division on jobsites. Studies project plans and specifications to determine resources needed to complete the work. Establishes and acquires equipment, tools and materials as appropriate. Onboards and manages crew members for work. Engages and directs the work of subcontractors assisting in the work of the civil crew. Prepares daily progress reports, time records, and other project-related paperwork. Communicates pertinent information to project leaders in a timely manner. Is responsible for managing the on-site safety program for the civil division on projects. Operates heavy equipment such as dozers, graders, rollers and excavators as needed to complete work and meet schedule. *May perform routine maintenance on equipment. Skills, Knowledge and Abilities: Ability to negotiate and mediate issues with a variety of personalities representing a diverse group of individuals and businesses associated with the construction industry. Knowledge of safety codes, rules and regulations pertaining to site work. Knowledge of employment law sufficient to supervise a crew of workers and to apply company policies. Ability to maintain good attendance and work long hours during some project phases. Ability to travel to distant construction sites, which may include temporary relocation while supervising projects. Valid Driver's License and good driving record.

NOTICE: Oregon Construction Contractors Law (ORS 701) requires that all businesses that advertise remodeling, repair, home improvement or new construction be licensed with the Construction Contractors Board. An active license means the contractor is bonded and insured. Verify a contractor's license and complaint history at www.hirealicensedcontractor.com **503-378-4621** 5273865-1

NOTICE: Oregon Landscape Contractors Law (ORS 671) requires that all landscape contracting businesses to be licensed with the Landscape Contractors Board. This four (4) digit number assures the business has a bond, insurance and an associated landscape contractor who has fulfilled the testing and experience requirements for licensure. For your protection, verify & check a license status on our web: www.lcb.state.or.us or call (503) 986-6561 before hiring a landscape business. Landscape Maintenance companies do not have to be licensed to perform maintenance functions on your already installed landscape. 5273867-1
