'T WAS SUCH A NIGHT.

'T was such a night as this; The grasses lowly bent, The wind that rustled in the trees, The stars that sparkled in the sky.

A FATAL LOVE.

Copyright 1891, by The United Press. Marvin Dorne was greatly perplexed. He was on shipboard, in the Java Sea, and he was in his cabin, alone.

MEERSCHAUM.

Copyright, 1891, by The United Press. "That's a daisy," he cried, as she landed a large fish into the boat. Then he kissed her.

SEE - IS BRONSON AN AMBITIOUS MAN?

See - Is Bronson an ambitious man? He - Well, I should say he was. He has sworn to raise a moustache before he is twenty-five.

QUEST - YOU'RE SURE THIS BILL IS ALL RIGHT?

QUEST - You're sure this bill is all right? CLERK - Certainly, sir. QUEST - But you haven't charged me for a very clever idea I had last night.

"WHAT A NOISY DRESSED LITTLE BOY."

"What a noisy dressed little boy." "Yes; a thorough student." "Who's that pompous man over there? He looks like a nobody."

SMITH - THEY TELL ME JONES IS IN A BAD WAY FROM TOBACCO.

SMITH - They tell me Jones is in a bad way from tobacco. "SMITH - Yes; he's going to weed very fast."

PRECIOUS BOY - WHAT'S THE MEANING OF GOING TO THE DEMONSTRATION TOMORROW?

PRECIOUS BOY - What's the meaning of going to the demonstration tomorrow, papa?

AGAIN SHE LAUGHED.

Again she laughed. "And kneel there," she continued, "and swear eternal fidelity to each other. O Dorne, poor Dorne! you really must love those burning words - did you think I believed your vows and meant mine? Then mine was the sin, not yours, if left there was a love pact, and western work to be drained but once and then left there ever after. Here we re-affirm it every time it is implied, holding that each succeeding time it shall be renewed."

HE CHOP HOUSE AS A GREAT GLORY TO ALBION.

Her Chop House As a Great Glory to Albion. The most noted and their characteristics. The eating houses in London, excepting the fashionable part of the town, exist principally for the purpose of supplying men with luncheon, or whatever the middle class may call it, and their sole object is to make them comfortable.

THE TALKING WOMAN.

The Talking Woman. "Beware of the woman who talks rapidly," said an old French writer, "for when she has spoken of every one else she has said nothing of herself."

A SNOW-STORM IN HIS HAT.

A Snow-storm in His Hat. The same causes which produce a fall of snow in the open air - namely, a subjection of a moist atmosphere to a temperature of some degrees below zero - will, in a confined space, produce a similar result.

AN ANECDOTE OF VON MOLTKE.

An Anecdote of Von Moltke. One day Moltke stopped at a boarding school kept by a person in a village near his Silesian country seat, and sat down to read the teacher instead of the scholars - mostly young nobles preparing for the army - on the wars of France and Prussia.

SITES OF ROYALTY.

Sites of Royalty. "All the monarchs and rulers of the world," said a Chicago Comptroller, "are to be invited to visit Chicago at the time of the Columbian Exposition, and we expect to get a square of them."

WRATE SHORT LETTERS.

Wrote Short Letters. A young woman in Pennsylvania took a novel way of selecting a husband from one of the six admirers. She laid each one to write her a letter setting forth his proposal in due form.

THE SEA TRUNK OF CAPTAIN PEREZ.

The Sea Trunk of Captain Perez. James M. Seymour, Supervisor of the United States Prison, whose residence is in Newark, prepared for an exhibition at the World's Fair in Chicago a box in the attic of his residence, and had it filled with the personal appearance of the trunks brought here from Europe.

RALEIGH'S ROMANCE.

Raleigh's Romance. Mining prospectors have recently been hunting for the lost Adams mine and for certain location. Most practical miners believe these diggings never existed save in the imagination of gold story tellers, but the romance of the old-fashioned world of the sixteenth century.

CAME OVER WITH COLUMBUS.

Came Over with Columbus. This trunk, so Mr. Seymour says, belonged to Perez, who came to America with Columbus. Perez was a sailor on the Pinta, the vessel that contained the great voyager and his crew when they discovered the Western Hemisphere, and he carried the trunk here and back to Spain.

A DESTINATION WHICH HAD BEEN IN LONDON.

A Destination Which Had Been in London. A good deal relates that not long since he had been in London, and he had been in London, and he had been in London, and he had been in London.

HE HAD BEEN TOLD EARLIER IN THE EVENING.

He Had Been Told Earlier in the Evening. The hall of the company had been burned to the ground in the great fire of 1864, and the company had been burned to the ground in the great fire of 1864.

"BUT HOW WAS THIS PRESERVED IN THE ORIGINAL?"

But How was this Preserved in the Original? It was then explained that the company was so heavily assessed at the time of the establishment of the commonwealth - that is, the time when the company was so heavily assessed at the time of the establishment of the commonwealth.

THERE ARE ALWAYS SOME CRANKS WHO ARE AFRAID OF THEM.

There are Always some Cranks who are Afraid of them. They want to out down trees and cut down trees, and they want to out down trees and cut down trees, and they want to out down trees and cut down trees.

THIS IS THE GOLDEN AGE.

This is the Golden Age. As far as fashion is concerned, says a London correspondent, the present may, without any exaggeration, be described as the "Golden Age." Not only does gold appear in some shape or form in bonnets, hats, mantles and gowns, but it is now considered in the best taste for table decorations.

THE GREATEST DIVING FEAT.

The Greatest Diving Feat. The greatest diving feat ever achieved was in moving the cargo of the ship, Cape Horn, from the coast of South America, when a diver, named Howe, made seven descents to a depth of 200 feet, remaining at one time forty-two minutes under the water.
