AND REAL MERIT DOES

PEOPLE SAY S. B. COUGH CURE
Beats Anything
REAL MERIT WILL TELL.

The Road to Wealth
Cannot be necessarily traveled without good health. To reach wealth or any coveted position in life requires the full possession and operation of all the faculties of nature as endowed on birth. These conditions cannot exist unless the physical being is in perfect working order, and this is impossible when the liver and spleen are torpid, thus obstructing the secretions, causing indigestion and dyspepsia, with all of their accompanying horrors.

DR. MENLEY'S
English Dandelion Tonic
exerts a specific influence over the liver, excites it to healthy action, removes its phlegmatic engorgement, and promotes the secretions: cures indigestion and constipation, cheapens the appetite, tones up the entire system, and makes life worth living.

A man that will sell his wife for a dollar would steal the dollar, if permitted.

Are You Suffering?
From back ache, inflammation of the bladder, brick dust deposit or stone in the bladder, or in fact any derangement of the kidneys or urinary organs? If thus afflicted do not lose time and waste money on worthless liniments and ointments, but strike at the seat of the disease at once by using the greatest of all known remedies, the celebrated Oregon Kidney Tea. Pleasant to take, purely vegetable. Satisfaction every time.

Considering that this is leap year the declaration of Belva Lockwood that she will not accept the presidential nomination unless it is freely offered her is certainly very handsome.

The World's Favorite.
The facilities of the present day for the production of everything that will conduce to the material welfare and comfort of mankind are almost unlimited, and when Syrup of Figs was first produced the world was enriched with the only perfect laxative known, as it is the only remedy which is truly pleasing and refreshing to the taste and prompt and effectual to cleanse the system gently in the Spring time or, in fact, at any time and the better it is known the more popular it becomes.

Setting a broken neck is a great feat of surgery, still it doesn't quite come up to putting a head on a man.

Wisdom's Robertine.
Is a strictly hygienic preparation. While it beautifies and preserves the complexion it removes all blotches, pimples, sun, wind tan, freckles and all blemishes and impurities of the skin of whatever nature. It is used by the recherche of society and the stage and bears the highest endorsements from chemists, physicians and artists ever given to any preparation of its kind. Sold only by druggists.

They Say It Contains No Poison.

Some gravel has been distributed along the main street by a contractor with a view to improving the appearance of the street wonderfully. Judge Martin Purkeypile was in Medford Saturday from Central Point. The Judge is looking much healthier than we have seen him for some time. In speaking about the Rogers River flume project for which Central Point holds the charter, the Judge informs us the matter is beginning to warm up again. County Surveyor Applegate says the survey will be made even if he is obliged to do the work gratis.
Little Folks and Dolls.
Mr. Lottor: A little folks tea party was given by Mollie Bradley Saturday. Mollie Pymale, Pearlie Webb, Katie Angle, Lillian Barr, Ada Adkins and Laura Bennett were the happy guests. Master Lottie Bradley took the carriage in waiting for them at 11 P. M.
Lottie's good humor and skill in driving made the drive a pleasant one. The day being bright and warm, permitted the little folks to enjoy outdoor games. Football was considered the favorite one.
Miss Carrie Vandike and Jessie Morrison entertained the ladies beautifully with good music and other amusements.
Each little girl had the pleasure of taking her dolls, which added much to their pleasure and much amusement to Mrs. Bradley, Misses Carrie and Jessie. Tea and cake was served at five o'clock also various. All reached home safe and happy.
ONE OF THE GREATS.
Surprise Party.
A leap year surprise party was given to Wallace Wood by a number of young people last Friday evening, at the residence of his parents in this city. The gathering was a regulation leap year affair, the ladies inviting the gentlemen and doing the escorting for the evening. This state of affairs in itself rendered the occasion an enjoyable one. The party consisted of Misses Mamie Leane, Millie Howlette, Bessie Brouse, Bertha Stewart, Myrtle Woodford, Grace Foster, Clara Steel, Mamie Nicholson and Jennie Colvig; Messrs. Chas. Ponzinger, Ulysses Damon, Gabe Pymale, Robt. Galloway, Robt. Foster, Bert Brandenburg and Hiram West.

Special School Meeting.
At a special school meeting Saturday called for the purpose of providing means to liquidate the outstanding indebtedness of this school district, after some preliminaries it was voted to bond the district for \$9,000, the bonds to be sold by bid to the bidder offering to take them at the lowest rate of interest. The bonds are to be paid off in three installments, one third in three years, one third in six years and the last third in nine years.
The indebtedness of the district incurred for building purposes, etc., is something over \$8,000 and these bonds are issued for the purpose of satisfying all demands and to give the directors a breathing spell, which they certainly deserve.

Married.
In Medford, Jan. 17, 1892, by Rev. P. R. Burnett, Mr. Horace G. Nicholson to Miss Cassie Pymale.
The above contracting parties are among the most favorably known young people of Jackson county. Mr. Nicholson having been head salesman for the well known firm of Adkins & Webb for several years and his estimable wife being the daughter of one of our pioneer residents, Mr. P. M. Pymale, of the extensive mercantile firm of Angle & Pymale. The ceremony was performed Sunday at 5:30 P. M. at the residence of the bride's parents, P. R. Burnett officiating. Only the immediate relatives of the young couple were present. After the ceremony an elegant repast was served which by no means detracted from the quiet enjoyableness of the occasion.
Mr. Nicholson has a cosy home already prepared for his bride at the corner of 12th and C streets and here the happy couple will immediately take up the duties of housekeeping.
The MAIL extends hearty congratulations.

The Australian Bailot.
The work of establishing the new voting precincts and appointing the judges and clerks of election for Jack-

son county under the Australian ballot law, was accomplished at the regular January term of the county court just held, as provided by law.
The judges and clerks so appointed hold office for two years and must not all be of the same political party. No election precinct shall contain more than two hundred and fifty electors as nearly as can be ascertained by the court.
In another column we give names and residences of the judges and clerks and the boundaries of the precincts.

A \$100 Suit.
Within the precincts of Justice Walton's court this week there has been aired about every ill and woe of the "honest workingman" to which "human flesh is heir to."
Lewis Boles of Brownsboro sued Geo. W. Morine of Brownsboro, in the sum of fifty cents a day for several days as recompense for damage sustained by the aforesaid Boles, by reason of the aforesaid Morine forcibly retaining in his possession certain wagon wheels which had been sent to the said Morine by the said Boles to be repaired, said Morine retaining said wheels in lieu of the sum of \$100, the same being the value the said Morine placed upon the labor he performed in repairing said wheels, and thereby "hangs the tale."
It seems that a contract was consummated last summer between Morine and Boles, the consideration of which was a wagon, a watch and the repairing of the wheels of the said wagon the following summer.
Morine owned the wagon and Boles the watch and they swapped, Morine agreeing to repair the wheels of the wagon, as aforesaid, the following summer. All went well until the repairing clause in the contract came due. Boles sent the wheels to Morine to be fixed, but after the repairing was done Morine refused to give up the wheels until he had been paid \$300 for the work he performed, claiming that the watch in the trade had not come up to the standard agreed in the contract. Boles brought suit to recover the wheels and the damage he sustained by reason of their non-delivery.
The suit consumed the better portion of two days, Judge Willard Crawford being retained for the plaintiff, while S. S. Pentz did the honors for the defendant. A jury of six was impanelled and after listening to lengthy and brilliant remarks by both attorneys and a learned charge by the judge, they were retired and in about fifty minutes returned a verdict for the plaintiff in the sum of \$100.
