## POLITICAL CARDS. FOR STATE PRINTER,

NEWS OF THE

the end of earth's career shall have been reached. They will soon move to Max Mullers saw mill, at which place

Mr. Rhoads is head sawyer, and who

-Green is the fashionable color these

days! Not for dresses, but for wrap-

ping paper. You can see it on the

streets, in the homes, in the farmers' wagons as you pass them on their way

home from town. 'Tis used for wrap-ping all manner of dry goods, boots

and shoes, hats and caps, and ladies' and gent s furnishing goods. All comes from the "New York Store," Medford.

he was thrown down, striking his left side on the upturned edge of the board.

One rib was broken and a contusion of the kidney and spleen was caused. His

life was despaired of during all of Tues-day and the night following, but he was reported a little easier Wednesday

noon and the hemorrhage, caused by the contusion, somewhat less. Dr. Cole is attending him.

-Go to G. L. Webb's Racket for paper patterns. Catalogue and fash-ion plates sent free on application.

will start the mill to work for the sea-

son's run.
