THAT justice travels with leaden feet is fully illustrated in the case of Prendergast, the murderer of Mayor Harrison, of Chicago.

kota were offered work at \$1.60 per said 'From the 400 educational inday-and they wouldn't take it It was bread, not work, that they wanted.

THERE is just a grain of satisfaction connected with the railroad evites will have to walk.

Some people never feel religious until they get in a tight place-and in church, but the church squeeze don't hurt the majority of us. We are absent at roll call too often.

Books are the windows through which the soul looks out. Dime novels and detective stories are so densely shaded with preposterous lies that the true honest mind 1894: rarely ever sees the inside of them.

A COXEVITE traveling with his industrial (?) army through North Dakota says this:

"I don't believe Cleveland will Mrs S Root, """ serve out his term. If Congress sees fit to put these men at work on the Nicaragua canal, improving between ar unblig modes all will be harbors or public works all will be well.'

ONE Sunday recently in South Dakota the day was set apart at various points for supplication for various points for supplication for rain. The rain followed in abun-dance, and very properly the next Sunday was observed as a day of thanksgiving to the giver of all thanksgiving to the giver of all district No 16 Klippel & Marcuson, lumber furnished to road district No 4 good gifts for relief from the long drouth.
