Warranted Superior to any Bicycle built in the world. . . . Regardless of Price

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels:

RICHMOND, VA., Oct. 2, 1894.

INDIANA BICYCLE CO., Indianapolis, Ind.

GENTLEMEN—The Waverley searcher and Belle came to hand yesterday. We are afraid you have sent us the high priced wheel by mistake. You can't mean to tell us that this wheel retails for \$55. We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverleys we have sold this year and last (and you know that is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade so called, that we sell. We congratulate ourselves every day that we are the Waverley Agents. Yours truly, WALTER C. MERKER & Co.
