

THE QUEEN'S JUBILEE

LONDON DECORATED IN HOLIDAY GRAB.

Eight Millions of People Through the Streets of the Great Metropolis—The Great Jubilee Day—Fifty Thousand Soldiers Parade.

King Carnival reigned in the Queen's capital last week, being the week the celebration of the sixtieth year of the reign of Victoria as Queen of England takes place.

QUEEN VICTORIA.

still and traffic in all the leading thoroughfares is blocked for hours at a time. Between the regular and volunteer soldiers there is a temporary garrison of 50,000 men for parading and lining the streets.

The celebration commenced Sunday and lasts seven days. The leading feature of the great event was the parade of Tuesday. No English monarch had, at any previous time, made so long a progress through the metropolis as was effected by Queen Victoria.

Emma Kromer, a half-breed Indian, living at a charitable institution in Seattle, Wash., fell heir to \$40,000, by the death of her brother last Sunday.

The school trustees of Riverside contemplate building a new four-room schoolhouse during the summer vacation on the site of the Seventh-street schoolhouse.

Angiola is the name of a projected town on the Valley road, twenty-eight miles east of Hanford. It will have free water, light and gas supplied by artesian wells.

The old Spanish woman of Plano, Cal., who was placed in a coffin a few weeks ago, supposed to be dead, but revived in time to save herself, has since died. She was 116 years of age.

The igniting of escaped gas caused an explosion in the post office building at Portland, Or. Patrick Maloney, the janitor was severely burned and the building was damaged to the extent of \$1000.

Mrs. Bouche, a Stockton woman, buried \$500 in a tin can in the cellar of her home and when she went to get it a few days ago to pay off a mortgage on her home the money was gone, having been stolen.

Fifty Years Ago.

Who could imagine that this should be the place where, in eighteen ninety-three that white world-wonder of arch and dome should shadow the nations, polychrome... Here at the Fair was the prize conferred on Ayer's Pills, by the world preferred, Chicago-like, they a record show, since they started—50 years ago.

Ayer's Cathartic Pills

have, from the time of their preparation, been a continuous success with the public. And that means that Ayer's Pills accomplish what is promised for them; they cure where others fail. It was fitting, therefore, that the world-wide popularity of these pills should be recognized by the World's Fair medal of 1893—a fact which emphasizes the record.

50 Years of Cures.

NEWS OF THE WORLD.

A SUIT AGAINST THE VANDERBILTS FOR TWO MILLION DOLLARS

Trouble Between Whites and Negroes in Florida—Jim Parker Sentenced to Death—A Colorado Man Kills His Brother in a Quarrel.

The rails of the Valley road are laid for a distance of fifteen miles south of Hanford.

Fresno has a freak in a pig that has no hind legs. It is one of the liveliest pigs in the litter.

The First Methodist church of Pasadena has accepted plans for a new building to cost \$10,000.

Petaluma is willing to give a site and building worth \$5000 for the location there of a shoe factory.

The ladybug that effectually destroyed the woolly aphis in 1895 has reappeared in Santa Barbara county.

The young oranges have been dropping from the trees at Redlands, and there will be only a moderate crop.

The police commissioners of Los Angeles are making a crusade against the nickel-in-the-slot machines.

A deputy fish commissioner transplanted 800 small black bass recently in the Toulumne river at Modesto.

The fire commissioners of Jamestown have purchased hose, carts and other paraphernalia for a fire department.

The mission fathers of Santa Barbara are putting a second story on their building to give greater school accommodations.

A Santa Barbara man who has disposed of 500 horses during the past few months asserts that the horse market is all right.

The people of Riverside county are engaged in warm discussion over the proposed purchase of a building for a county courthouse.

Fifty white men are employed in digging canals near the Tejon ranch, Kern county, and seventy Chinese will also be put to work there.

Postmaster Mathews of Los Angeles objects to the practice of merchants in accepting postage stamps in payment from country customers.

Despite all the adverse reports of the prune crop Santa Clara county will send out this year one of the biggest supplies of prunes ever raised in the state in one season.

Prunes promise an immense crop in the state of Washington, and preparations are under way for making larger shipments than ever of the fresh fruit to the east.

Matt Semichy, who killed Kid Evans in a prize fight at San Jose some time ago, and was arrested charged with manslaughter, was acquitted at his trial last week.

Ollie Collins and Frank Robinson were drowned near Thurston's landing, San Joaquin county, last week. Robinson fell in the water and Collins jumped in to save him but was caught by Robinson and rendered helpless.

The new depot of the Valley road at Hanford is to be an imposing structure, costing \$10,000. It will be of brick, 300 feet long in all, divided into passenger, freight and fruit rooms.

Captain George J. Farmer of Madrone, Wash., will start in July in an eight-ton sloop for a voyage down the coast to Santa Barbara, where he expects to make his future home.

Construction on the Valley road bridge over the St. John's river, one mile north of Visalia, will be commenced Monday. The work includes two seventy-five foot spans and over 1000 feet of trestle approaches.

In the vicinity of Reedley there are twenty-two combined harvesters at work in the wheat fields of that section. It is estimated that the average yield will be five-sacks per acre, or a total of 231,000 sacks.

John Cook, the Fresno Italian who took a shot at his wife and G. Amendola because he found them together when he returned home one evening, has been sentenced to pay a fine of \$360 or serve that number of days in the county jail.

The miners and prospectors of Sonora, Cal., met on a recent evening and organized a protective league for the purpose of taking steps to prevent the taking up of well-known mineral lands under the guise of agricultural entry.

Had it not been for the vigilance of a guard at Folsom, Salter D. Worden, the condemned murderer, and a half dozen desperate convicts would be at large armed to the teeth and ready to do battle to death against all pursuers. The prisoners had secured several fine saws and had succeeded in cutting through the bars before discovery. It was also discovered that they had confederates on the outside who had arms for them.

Mrs. in the Brooklyn Navy Yard, New York, damaged the building of Ordnance department to the extent of \$100,000.

George Washington, a private in the Twenty-fourth infantry at Fort Douglas, Utah, has gone crazy. His insanity developed when doing guard duty, and was caused by his fear of wild animals.

President Collis P. Huntington of the Southern Pacific company is quoted as favoring a plan for the consolidation of all the railroads west of the Mississippi river and having them under one management.

About 200 Detroit socialists met and denounced Eugene V. Debs' movement for an independent community in Washington. The scheme was characterized by all the speakers as the old communistic theory and impossible of achievement.

Adolph L. Luertger, the wealthy Chicago sausage manufacturer accused of murdering his wife and throwing her body into a vat full of boiling grease, was refused release on a writ of habeas corpus, and is held for trial without bail.

A large number of New York contracting tailors who entered into settlement with the brotherhood of tailors last week, have, according to the members prominent in the Clothing Contractors' association, ignored the new agreement, closed their shops and turned their employes adrift.

The St. Louis express on the Washburn plunged through a trestle at Missouri city, Mo., carrying down the entire train, with the exception of the rear car. The gorge under the bridge had become a roaring torrent and weakened the structure. The cars were crowded with passengers when they fell, and the loss of life is thought to be seven, with many wounded.

Up to the present time the month of June has been one of suicides for Chicago. There were forty cases of suicides, besides twelve other deaths in which the element of doubt remains. Saturday two men killed themselves, three others made unsuccessful attempts, two dead bodies were found and one man died from the effects of self-inflicted wounds of a few days previous.

The part of the trunk was found in some brush in New York city. It was terribly mutilated and shows plainly that a murder had been committed. It was wrapped in pillowcase and manila paper, exactly as was the upper part of a trunk found in the East river a day previous. The two are parts of the same body. The two pieces were found more than eight miles apart, one in the water and the other on land.

The Union Construction company is the name of a new corporation organized under the laws of Arizona, with a capital of \$100,000. The company is supplemental to the Randsburg railway company, formed several months ago for the construction of a railroad from Kramer, on the Atlantic and Pacific railroad, to Randsburg, twenty-seven miles. The company states that the new road will be in operation by August 15th.

Augustus A. Garrison and Frank Jones were killed and Tom Jones mortally wounded in a battle which took place in the Methodist cemetery at Pleasant valley, Tex. Garrison killed Frank Jones and was then shot by Tom, a brother of Frank. Before dying he mortally wounded Tom Jones. A young lady had been wounded by Tom Jones and Garrison determined to avenge the wrong.

The details of the recent total loss of the Philadelphia bound British sugar bark Traveler at Port Mathurin, Rodrigues island, and the death from Java fever of ten members of her crew, including Captain Christie, have just been received, and bring to light one of the most thrilling cases of shipwreck and suffering in the annals of shipping. Two men committed suicide rather than await the fate that was in store for them. One by one the men died off until the mate and second mate spared, and the former finally succumbed to the dreaded disease. Captain Christie, the commanded, and seven men had died and their bodies had been cast over the ship's side. The ship finally got to Matchurin, but before aid could be secured to land, a gale sprang and drove the vessel on the rocks, where she is a total wreck.

William P. Warren, an old resident of Alexander valley, Sonoma county, while suffering from the effects of too much liquor, took a dose of poison and killed himself.

The Western Packing Company, which built an abattoir at Linnton, near Portland, Oregon, and engaged in the slaughtering of horses some two years ago, but were obliged to give up the business on account of not being able to find a market for the horse meat, have resumed business again and are killing thirty to forty horses per day. The trade in horse meat has increased greatly in Europe, and it is thought a market for American horse meat can now be found there. The choicest parts only are being salted in casks for shipment, but it is the intention of the company to engage in canning before long.
