On the 11th inst. we boarded the train en route for Tucson, Arizona, and were speeding across the great desert waste in strange contrast age. There are three candidates to rent the Willamette hotel at Salem, one be-ing the proprietor of the Portland as a side issue. It is said to be an elephant desert, with the grassy and flowery lawns of Los Angeles. A few hours side issue. It is said to be an elephant to run. The Eugene council has granted a second electric light franchise to E. M. Force and associates for a term of fifty years. Eugene will certainly be well lighted as she already has a fine system. The insula the case of the state across it reminded us very strongly of that other place we have heard of away to the south and in-babited by angels who have flown disagreed. It has caused a great sensa-tion in Astorna.

I after miles and miles of barren sandy desert and past Yuma, we arrived at Tucson on the 13th inst. It is located in the great sandy plain and looked curious with its narrow streets—some of the busi-ness ones not more than twenty feet wide—and the long, low, one story adobe buildings, and those that were inhabited by Mexicans ap-parently devoid of furniture and the lady of the house sitting on the bare adobe floor. Tucson is a great mining and stock center and does a large business. The famous Tomb-stone mine is about seventy-five miles south of this place. In answer to a summons, the bonds. In answer to a summons, the bonds. Ward, of Clatsop County, Treasurer B. L. Ward, of Clatsop County, appeared in the county court Thursday and ex-pressed their intentions of making good his shortage, but asked further time, which will probably be granted.

The south of this place. From Tucson our next place was Phoenix, in the central southern portion, in Salt river valley. Here we saw ranch after ranch, all green with great fields of alfalfa, and great bands of fat cattle and now and then an orange grove all the C. B. M. Cale mell to five years. M. B.
