You might as well be safe in your tea-drinking, and enjoy it more besides.

Try Schilling's Best-your money back if you don't like it.

E W. Carder Tells of Alaska

Dawson, May 24, 1898. Well, I am here at last; arrived May 6th. We had a very hard trip down from the Salmon river. The ice was good for one hundred miles mal school. Mrs. J. will remain and keep house for him.

Mrs. S. B. Holmes has been very ill, but at last accounts she was slowly improving. Drs. Chisbolm,

Mrs. Chisbolm,

Ior an outing.

Mr. and Mrs. J. F. True have related from their visit with the latter's parents, Mr. and Mrs. Salmon river, Walsh creek, and one latter's parents, Mr. and Mrs. Randles, of Lake Creek. They were twenty-nine days on the way from Linderman, traveling over 650 miles. We went up anything like it. No man need go away from here with less than he other small creek that is not named; Randles, of Lake Creek. They were twenty-nine days on the way from Linderman, traveling over 650 miles. We went up anything like it. No man need go away from here with less than he other small creek that is not named; Randles, of Lake Creek. They were accompanied on their return I leading a party of seven men from start to finish and all are payof Central Point, and E. B. Pickel, by Miss Sibley, whe will visit with The ice got so rotten and had so ing mines. Little and Big Skookum stood out on the other ice in large claims in the Yukon district. They fields, resembling an immense herd of elephants in the distance. We and \$10 for a miner's certificate, went up on top of them, around and a man has to have his claim them and under them; had to pick worked three months in the year. our trail nearly all the way. The last sixty miles we were in water nearly all the time, as the snow on the hills was melting and running o'clock Saturday night until 3 down over the rocks in torrents, and every gulch was a roaring cathere is \$150 a thousand; horses

nearly all hilly, but there is some the man who bought them made that land at the mouths of the larger \$20,000 by freighting with them. rivers, like the Pella, White and Wages here are good I have working land, too, where the grass grows have made as high as \$22.50 per quite rank and resembles that grow- day, but wages will probably come Messrs. Bud Lacy, Ira Kime and ing along the rivers in Nebraska. Jed Breazeale, left last week for a camping and hunting excursion. The Pella river is a large stream in price. This is the state of things flowing into the Yukon from the as I have found them by personal northeast. There the ice was nearly investigation and careful question. Clinton Spencer, who has been getting around it. We camped in truthful. In conclusion I want to out at Dead Indian for some time, a cabin at old Fort Selkirk. There say this: Don't come here. There ail gone and we had a hard time ing of men who were said to be ployed at Wm Stewart's fruit farm and one store with nothing in it; country can support. I think more in Eden precinct. dirtiest, ugliest and meanest look- ably richer than those already ing Indians I ever saw. Here we found—but there are enough men river is another large stream, and lakes. There is loss of country here we met a young man going the American side, so if you want to go any place, go there, but don't come here. E. W. CARDER. mile Post was our next stopping place. This is a trading post for the Tanana and Sixty mile Indians, and is run by George Kerry, who

was formerly from Ashland, Oregon. After leaving this post we came in reaching it. We went along one side of an island opposite L town, on the left bank of the Klondike, but the ice was all gone and all around us was open water, and we were compelled to camp there over night. In the evening an we gave him \$25 to come and get cian. us the next morning with a larger | A. J. Wilcox is home from Trail and sunk; but as the water was not bridge. very deep we managed to get most of our supplies onto a large chunk of ice nearby, and here we waited until another boat came out and Sidney Smith, formerly of this until another boat came out and place but now of Canby, Cal., is in this vicinity on business. He is there we came on to Dawson, and thus ended one of the most fool

hardy trips a man ever made. Dawson has about 1200 houses all together, and several new ones are going up. About every other building on the main street is a saloon, but they all seem to be quite orderly. There are eight hotels and three or four restaurants; meals are \$2.50 each, and are not very good at that. The street is nothing but a quagmire of mud and the water is awful. Prices when we came were high. Here are some of them: Flour, \$30 per sack; some of them: Flour, \$30 per sack; bacon, 75 cents per pound; sugar, \$1.25 per pound; fruit, 35 to 10 cents; potatoes, \$4.50 per pound; fresh meat not to be had at any price; pair of rubber boots, \$25; shoes, \$8; overalls, \$3; and other Do you have pains? Where? How long? Hight sweats? How often? things in proportion. The river is wide in front of the town, and a high hill back of it is all laid off in Do your eyes blur? When? Do you sleep at night? How long? town lots. A few of the houses here are two stor'es high. The town also contains two churches and s school house.

There is more gold here than any place on earth for its size. You to you be can see it by the ton. Some of the mines are full of gold, while others gold taken from here will surprise the world. From three days' work

of two men at one mine, was ob to McCallister S da Springs. could carry. They had eighty four pounds spiece, some of the nuggets being 24 inches long by 2 inches wide and three eighths of an inch thick. Any amount of them were as large as walnuts, only of a dif-ferent shape. Up in French guich, where I have one fifth interest in each of four claims, I saw an old man and two boys rocking out ten pounds per day, and at the same place another man was taking out from \$200 to \$300 by himself. In a log-way, where they pulled logs down the hill, a man picked up nuggets worth from \$2.50 to \$5 each. He came to town, had it recorded, and in two hours had sold out for \$18,000. I had just walked over the same ground, not twenty minutes before he staked, and might ice was good for one hundred miles have had it if I had only looked at and we made good time, averaging the ground. Southern Oregon and about twenty-two miles per day. California, in their balmy days, We were twenty-nine days on the never compared with this. Old altogether we went over 700 miles, work.
