A grand old remedy for coughs, colds and consumption; used through the world for half a century, has cured innumerable cases of incipient consumption and relieved many in advanced stages. If you are not satisfied with the results we will refund your money. Price 25 cts., 50 cts. and \$1,00. Sold by Chas, Strang, druggist.

The inheritance tax which the A. D. Helms was down from estate of the late Cornelius Vander-Ashland on Monday of this week. built is likely to be over \$2,000,000 Miss Mabel Chapman, of Anderson creek, is stopping with M. L. Chauncay Depew will have to give up \$20,000 of his \$200,000 legacy to the tax collector. Besides the Federal tax the state of New York will get about \$500,000.

Young Mothers.
Croup is the torror of thousands of young mothors because its outbreak is a gonizing and frequently fatal. Shiloh's Cough and Consumption Cure acts like magic in cases of croup. It has never been known to fall. The worst onses relieved immediately Price 25 cts. 50 cts., and \$1.00. Sold by Chas. Strang, druggist.

The cavalry has been doing some good work in the Philippine campaign, and needs to do so to pay for itself, since every horse sent to the islands costs the government from \$700 to \$800 by the time it is landed at Manila. But still, if the horses enable Otis to do in a month what otherwise would require several months, the cavalry will have been a good investment.

Working Night and Day.

Working Night and Day.

The busiest 'and mightiest little thing that ever was made is Dr. King's New Life Pills. Every pill is a sugarcouted globule of health, that changes weakness into strength, listlesaness into energy, brain-fag into mental power. They're wonderful in building up the health. Only 25c per box. Sold by Chus. Strang, druggist.

WAR IN THE TRAVEVALL.

Seers and Britons Regaged in Deadly

Conflict. A cable dated London, November 17, says: The long si'ence respecting opera-tions in Natal has been broken in a manner wholly unwelcome to the British, whose growing hopefuliness, based on the arrival of re-enforcements on the

enemy that characterizes the music hall patriots at home. It was known that the enemy held the county through which the train had been moving backthe mining towns on the Yukon since, near several of which he now has mineral claims.

Sheriff Kershner went to Pine Flat Monday to arrest Henry Schoner and Henry Meier upon warrants charging them with larceny of lumber at the Pine Flat mill yard. He returned with Schoner but was unable to find Meier. The prisoner maintains that he is guilty of no crime.

J. McDermott, the cattle buyer from Butchtown, San Francisco, arrived Monday from Fort Klamath, where he bought about 400 head of cattle from Pelton Bros. The cattle passed through this section yester-

The gallant son of the inte Lord Ran-dolph Churchill is war correspondent for a New York paper. He won dis-tinction in the Sudan campaign under Lord Kitchener.

Churchill is at present a prisoner being captured last week in the disaster to the armored train. He is at Pretoria. He was wounded in the hand during the engagement, through which he sho remarkable courage.

LONDON, November 20.-This morn ing's news gives little that alters the complexion of the situation. Since the fight of November 9 matters, so far as is known, have been fairly quiet at Ladysmith. It is not unlikely that the Boers may be hesitating regarding the next movement. The situation in Na-tal is very complicated, more especially preparatory to moving the county properly proper before she British advance and threatening it from Weenen; or, in the second
place, they can advance from Weenen
and try to carry Estcourt; or, in the
third place, they can advance due south
from Weenen to Weston, out the railway and blow up the bridge over Mooi
river. If it be true that there are 10. 000 Boers under Joubert and General Botha marching south to meet the British relief force heavy fighting is in

ONE OF OUR HEROES.

An Instance of the Splendid Courage

The brightest page in the history of any war is, perhaps, that which records the thoughtfulness of the officers and the faithfulness of their men-qual-ities which, when conjoined, make a regiment an almost irresistible force. In "The Story of the Rough Riders," Edward Macshall tells how, when Capt. McClintock was wounded, one of his troopers came and lay down beside

"You'd better get out of this," said

McClintock. "It's too hot."
"Don't worry, captain," the man replied. "I'm between you and the fir-

ing line." McCuntock, touched as he was by this exhibition of the man's devotion, still wanted him to get away. He urged him to leave. The man refused. Finally McClintock said:

"I'm your captain, and I order you to go. You are doing no good to anyone but me. This is no place for a well man. I order you." Then the man had to tell.

"I ain't no well man," he slowly admitted. "I'm shot."
"Where?" asked McClintock.

"Oh, it's only a scratch!"

They lay there in silence for a long time. The firing began to come from the left. The soldier worked his painful way around until he was again be-tween McClintock and the line of fire. McClintock was too weak from loss of blood even to speak. Then a hospital man came and lifted McClintock to

carry him back.
"Take him, too," McClintock man-

aged to articulate.
"No pas," said the hospital
"He's dead."

After Six Years of Intense

Suffering, Promptly Cured ment soon become chronic and deepscated, and are a sure sign that the
By S. S. entire circulation is in a depraved condition. They
stantly sapping away the vitality. In every case the poison must
be eliminated from the blood, and no amount of external treatment

can have any effect.

There is no uncertainty about the merits of S. S. S.; every claim made for it is backed up strongly by convincing testimony of those who have been cured by it and know of its virtues by experience.

Mr. L. J. Clark, of Orange Courthouse, Va., writes:

"For six years I had an obstinate, running ulcer on my
sable, which at times caused me intense suffering.— I was
se disabled for a long while that I was wholly unfit for
business. One of the best doctors treated me constantly
but did me no good. I than tried various blood remedies,
without the least benefit. S. S. S. was so highly recommended that I concluded to try it, and the effect was
wonderful. It seemed to get right at the seat of the
disease and force the poison out, and I was soon completely cured." Swift's Specific—

8. S. S. FOR THE BLOOD

—drives out every trace of impurity in the blood, and in this way cures permanently the most obstinate, deep-seated sore or ulcer. It is the only blood remedy guaranteed purely vegetable, and contains not a particle of potash, mercury, or other mineral. S. S. S. cures Contagious Blood Poison, Scrofula, Cancer, Catarrh, Eczema, Rheumatism, Sores, Ulcers, Boils, or any other blood trouble. In the upon S. S. S.; nothing can take its place.

Valuable books mailed free by Swift Specific Company, Atlanta, Ga.
